

# Take action to help prevent cancer

## FREE AWARENESS AND SCREENING EVENT

Cancer is the second leading cause of mortality in the United States, accounting for almost 23 percent of all deaths. This event, part of Arrowhead Regional Medical Center's 2009 10th Anniversary celebration, is designed to raise awareness about cancer and help to prevent it.

Regular screenings can result in the possible detection and removal of precancerous growths, as well as diagnose cancers when they are most treatable.

---

**What:**

- Free screenings for oral, skin, breast, prostate, colorectal and cervical cancers  
(Due to time constraints, only first 200 attendees will be screened; on-site consultations will be provided to determine recommended screenings.)
- Educational booths with cancer prevention and treatment information

---

**When:**

**Saturday, January 31, 2009**  
registration begins at 9:30 a.m.  
screenings will be conducted from  
**10 a.m. to 2 p.m.**
